

EARN DISCOUNTS AND GET SHOPPING!

A **brand new** program catering to **your** interests!

We invested a lot of time creating a program that will **reward** your efforts **instantly**. You can claim your rewards whenever you want and **keep earning** them as many times as you wish.

With **60% discount** on shopping and **free shipping**, you can get yourself all those items that you keep postponing for when the better **deal** arrives!

HOW DOES IT WORK?

For every sale that you make, we reward you discount percentages.

You can earn up to 60% discount to use on shopping.

Once you used up your discount, the percentages start piling up again!

It is completely up to you how fast you want to pile up your discounts, and when you want to use them, but one thing is for sure - you don't want to miss out on them!

GET REWARDED AND REWARD YOURSELF

THE PROGRAM

Counting how many sales you made simply doesn't make sense, since we offer a lot of different services with various pricings. That is why your sales gain more on value, by making every cent of your sale count!

- For **\$900 in sales**, you earn **60% discount** on shopping at **TD Mercado** for purchases **up to \$500**. Do not be **daunted** by the numbers - just take a look at our services to the right and you will see just **how easy it is** to achieve the numbers.

- To make it easier for **you**, you can use your discount at **any amount**, whenever you'd like. The discounts **scale** with sales. For \$150 of sales, you earn 10% discount on shopping, and the **shipping** is always for **free**.

- After every **quarter** of the year, we will be resetting the scores, so make sure you use up the discount before it expires! Keep in mind, it is **not a one time deal**, you can keep collecting the discounts as long as you use up your current discount once it reaches the maximum of 60%.
